

Two Sided Roll Cage

The 2-sided roll cages sometimes referred to as “Combi’s” is very widely used within retail environments.

The open ends allow for double picking.

The Capcon unit is delivered with 2 x swivel and 2 x fixed castors and hard-wearing nylon wheels and is fitted with ID Plates on each side profile. Shelves may be optionally added to separate products and optimise the load and we can provide option “easy open” straps to secure the end of the unit.

Technical Specification

Base Size	664 x 800mm
Overall Height	1700mm
Load Capacity	500kg
Finish	Bright Zinc Plated
Unit Weight	30kg
Castor Diameter	125mm
Shelf Option	Loose Shelves

Key Features

- Eliminates shrinkwrap. Far better use of vertical space, mesh infill helps retain products for improved protection – ideal larger / taller products.
- Simple and easy to use design to be operated by a single person.
- Stable door style split gates for easy access to stowed products; access to higher packed products with the bottom gate close reduces the risk of spill merchandise. Bright zinc plated finish helps to reduce corrosion
